

## ED-150 EXTERNAL LCD DISPLAY

### SHARE COUNTING RESULTS WITH CUSTOMERS IN REAL-TIME

The Safescan ED-150 enables your customers to view their counting results while they are being processed. Place the LCD display on your counter and your customers will see the results at the same time you do. Simply plug the external display into your Safescan banknote counter and you are ready to go.

- External LCD display for Safescan banknote counters
- Duplicates the counting results
- Share counting results with customers from behind your counter
- Fits perfectly on your counter thanks to its compact design and 1.4 m cable
- Plug & Play connectivity with a RS-232 connection
- Suitable for the Safescan 285-S, 2465-S, 2610, 2650, 2660-S, 2665-S, 2680-S, 2685-S, 2885-S, 2985-SX
